

RULES

LAUDERDALE SCORING:

All four members of a team hit their ball; the team will then decide which ball has the best lie for the next shot. Other 3 balls are picked up and all four players hit their next shot from the chosen lie. The Team Captain will make the final decision if all members are not in agreement. Scorecards must have an actual score on each hole and be signed by the Captain. The first name listed under team number is considered to be the captain.

TEES:

Drives will be from the white tee; except for seniors and ladies.

FAIRWAYS:

Remaining 3 players may place their ball within one club length of the chosen lie, no closer to the hole.

ROUGH:

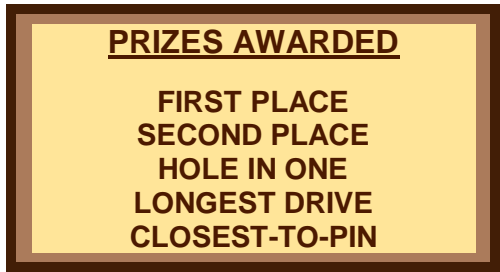

Remaining 3 players will drop within one club length of the chosen ball, no closer to the hole.

GREEN:

Mark the chosen lie. All team members must putt from the same marked spot. First player to sink a putt completes the hole for the team. All other players pick up, record the score and team moves to the next hole.

TIE BREAKER:

In case of a tie for any trophy position, scorecards will be compared for all the teams involved. Beginning with hole #18 and going back, the first team winning a hole will be declared the winner for that trophy position.
